Meetings

December 12 - 9:30 a.m. to 4 p.m.

CWD Response Plan Review Meeting

Lussier Family Heritage Center, 3101 Lake Farm Road, **Madison**

Contact: [Bob Nack](#), 608-264-6137

Detailed information: The public is invited to join the Department of Natural Resources staff and other members of the CWD Response Plan Review Committee to discuss and assess the first five years of the Wisconsin Department of Natural Resources 2010-2025 Chronic Wasting Disease Response Plan. The CWD Response Plan Review Committee will revisit the current [CWD Response Plan](#) and discuss research and disease management in Wisconsin. The review committee consists of several governmental agencies and key partner organizations with an interest in CWD management in Wisconsin. This public involvement process is being coordinated jointly by DNR, the Wisconsin Conservation Congress and the Wisconsin Department of Agriculture, Trade and Consumer Protection.

December 13 - 8 a.m. to end of agenda

Snowmobile Recreation Council

State Natural Resources Building (GEF 2), 101 S. Webster St., **Room: 413, Madison**

Contact: [Cathy Burrow](#), 608-267-0494

Detailed information: The Snowmobile Recreational Council carries out studies and makes recommendations to the legislature, governor, DNR and Department of Transportation on all matters related to snowmobiles and snowmobiling. The primary focus of this meeting is the storm damage requests from west and south central Wisconsin due to the September 2016 flooding event. Agenda will be available at least one week prior to the meeting on the [Snowmobile Council](#) page of the DNR website.

December 13 - 9 a.m. to noon.

Lower Fox River TMDL Implementation Agriculture Runoff Committee Meeting

Outagamie County UW Extension Office, Agricultural Services Center, 3369 W. Brewster St., **Room: A, B & C, Appleton**

Contact: [Keith Marquardt](#), 920-303-5435

Detailed information: The committee is a stakeholder group that addresses agricultural implementation of the Lower Fox [Total Maximum Daily Load](#).

December 13 - 9 a.m. to 3 p.m.

NR 151 Rule Change Technical Advisory Committee

Coughlin Center, 625 E. County Road Y, **Oshkosh**

Contact: [Mary Anne Lowndes](#), 608-261-6420

Detailed information: The purpose of this meeting is to make recommendations to the [NR 151 rule modification](#) and develop a targeted performance standard to address land spreading of manure on soils in sensitive areas of the state - i.e. where depth to bedrock is shallow and the bedrock is fractured (also described as karst topography). Some of the proposed changes to NR 151 may be based on recommendations in the Groundwater Collaboration Workgroup final report, issued in June 2016.

(more)

December 14 - 8:30 a.m. to end of agenda

State Natural Resources Board

State Natural Resources Building (GEF 2), 101 S. Webster St., **Room: G09, Madison**

Contact: [Laurie Ross](#), 608-267-7420

Detailed information: The [Natural Resources Board](#) will: hear a request to adopt proposed rules affecting Chapters NR 404 and 484 related to incorporation of the National Ambient Air Quality Standard for fine particles; hear a request to adopt proposed rules affecting Chapters NR 20 and 25 related to fish harvest in Lake Superior; hear a request to approve the Sauk Prairie State Recreation Area (SPSRA) draft master plan; and other items.

[Agenda](#)

December 15 – 1-2 p.m.

Lake Michigan Fishery Stakeholder Communications Meeting

Conference Call, see detailed information

Contact: [Jennifer Sereno](#), 608-770-8084

Detailed information: Interested stakeholders are invited to participate in a series of meetings to identify opportunities for communicating about and marketing the world-class Lake Michigan fishery. To obtain the number for this conference call, contact Jennifer Sereno at

Jennifer.Sereno@wisconsin.gov.
